

Begin your journey to managing your health with **Rally**SM, available through oxfordhealth.com

A fun, new way to help improve your health

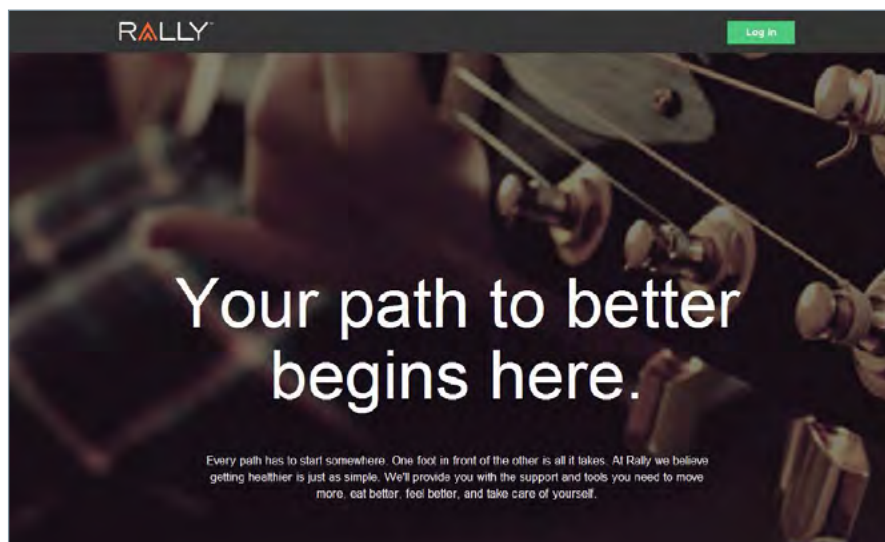

A fun and easy-to-use website

We're happy to offer Rally, which may help you improve your health, available through oxfordhealth.com. This online, interactive experience is designed to make it easy to help you understand healthy behaviors and take any needed steps to help you live a healthier life.

How is this different from other health and wellness websites?

The focus is on your overall health and well-being

Rally goes beyond your physical health, and factors in important emotional, financial, social and community connections. Combining these important aspects of your overall well-being may help you manage your health.

Rally online health and wellness experience

The first step – log on to oxfordhealth.com

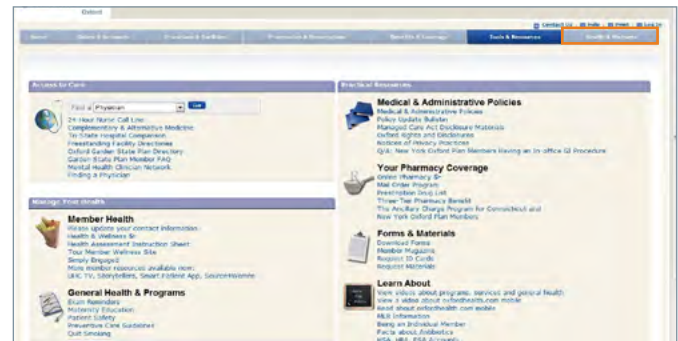

Go to **oxfordhealth.com**'s Member portal. If you are already registered, log in with your username and password and proceed to the "Health & Wellness" tab — the farthest right tab at the top of the page.

If you've never registered on oxfordhealth.com, click "Register Now" and follow the prompts, then go to the Health & Wellness tab as described above.

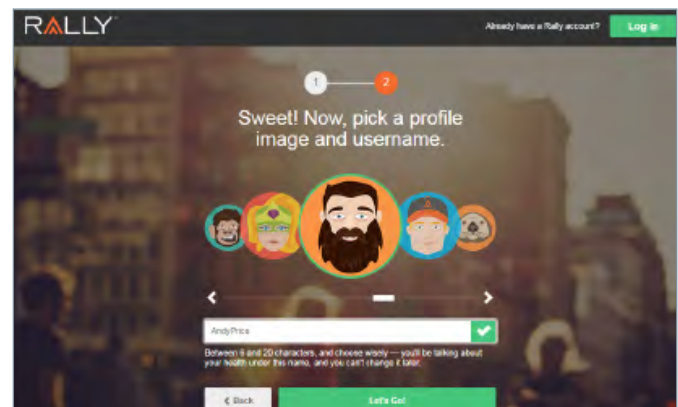

Health & Wellness tab

Register for Rally after you click on the "Health & Wellness" tab.

Let's get started with Rally

You're now on the Rally registration page. Register by following the three simple on-screen steps. You'll choose an Avatar to participate in online communities or other activities. Your username should be fun and memorable but NOT your real name.

With Rally, it takes just a few minutes to answer some simple questions and get immediate and confidential results. You'll get specific health suggestions for you to consider and follow-up actions that are designed to work with you and your daily behaviors. This information may help you better understand your healthy behaviors to help you live a healthier lifestyle.

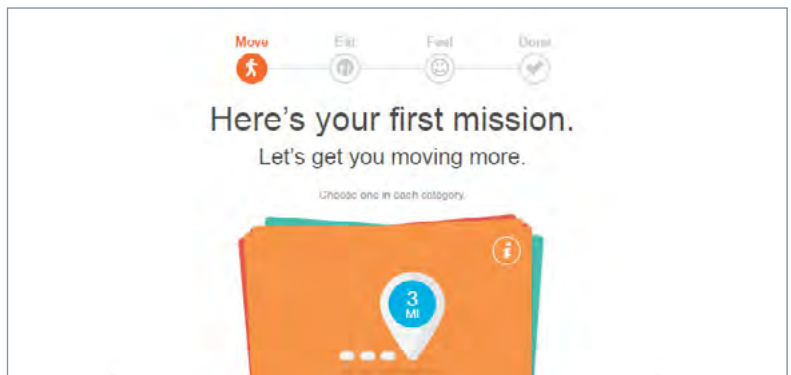

Rally experience

With Rally, you get an interactive journey answering questions to personalize your experience. This Health Survey will provide you with visual prompts in a clear and easy to follow format. After completing of the Health Survey, you'll get your results as a "Rally Age" – a number that gives you an indicator of how your health age compares with your actual age.

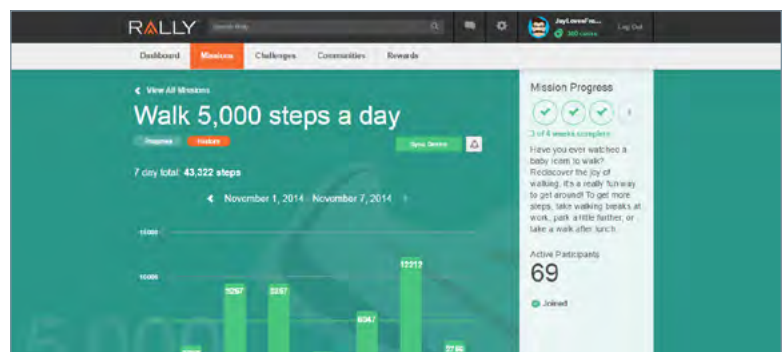

Select your Missions

In addition to your Rally Age, you'll also get personalized and interactive results, including suggested Missions, or individual action plans, based on your Health Survey. Missions provide activities to improve or help maintain your health.

Track your personalized missions

After joining your Missions, you can easily track your progress by self-reporting or integrating wearable fitness devices from FitBit®, Jawbone UP®, or Body Media®.

Earning rewards is easy

As you complete certain activities within Rally, you may earn "coins" for your efforts, which can be used to enter sweepstakes.
